CAPABILITY STATEMENT

At Civil Analytics we offer a comprehensive suite of **Project Management Services** designed to optimize your organization's operations and create efficiency. Our expert team specializes in:

- Strategic Planning
- Project Monitoring
- AI Strategy
- Risk Management
- Reporting
- Change Management

PAST PERFORMANCE

Partnered with:

Penguin Random House

- Successfully managed a large-scale project involving the integration of new digital systems across multiple departments, resulting in a 20% increase in operational efficiency and improved collaboration between teams.

Bazooka Companies, Inc

- Led the project management for a major product launch, coordinating cross-functional teams and external vendors to deliver the project on time and within budget. The launch saw a 15% increase in market share within the first quarter.

DIFFERENTIATORS

Civil Analytics Provides;

- **Service** - Strive to provide the highest level of client service
